Dear Mr Tong and YY,

Today, Ferraz, CEO of SETE Brasil led a delegation of senior management from DNB, GIEK and Eksportkreditt to visit the Yard and besides the yard tour, we presented to them our corporate video and also the construction program and methodology of the DRU projects. DNB, GIEK and Eksportkreditt are involved with financing SETE / Petrobras on the DRU program and are on a verification tour. They left at about 1300hrs.

We also hosted a visit by Shell Brasil Petroleo's Director of Upstream, Mr Antonio Guimaraes and his Mgmt team, showing them our activities, capacity and track record as well.

Both teams left the yard fully satisfied with what they saw.

For info, Ferraz, Barusco and Musa are planning to be in Singapore together with their wives on 23 Feb till 27 Feb.

With best rgds

KC
